VISITING IN DOUGLAS

Mrs. E. Burdick left yesterday for Douglas, where she will enjoy a visit with her sister, Mrs. Clothier, during the present week. Mrs. Clothier will probably accompany her back for a visit in this city.

TO FORT HUACHUCA

Mrs. Aubrey Beard and children returned to their home in Fort Huachuca on Wednesday, after a very pleasant visit of ten days with relatives here.

TEA PARTY

Miss Tiny Patton was the charming young hostess at a pretty tea party with which she entertained her little friends on Friday afternoon at her home on Mason Hill. Covers were laid for six. Tea was served in the yard under a big tree. The weather being warm and balmy, not a cloud nor dissension arose to mar the success and joy of the occasion and for more than an hour Miss Tiny dispensed delicious tea, cakes, and spicy chatter to the delight of her guests.

FOR SON'S BIRTHDAY

Mrs. A. L. Wells entertained last Saturday afternoon in honor of the ninth birthday anniversary of her young son, Harold. A peanut hunt, and other pleasant outdoor games were enjoyed and late in the afternoon refreshments of cakes and ice were served to the happy youngsters. A feature that pleased the children immensely was the huge birthday cake that adorned the center of the pretty table. Nine playmates of Master Wells were present to enjoy this altogether jolly affair.

DANCE NOVEMBER 14

The high school alumni dance planned for Halloween has been postponed until the evening of November 14. Elaborate arrangements which had been made for the affair, however, will keep nicely and the

dance be made all the more enjoyable by reason of the wait. Occasion for the postponement was found in an earlier arrangement by the Women's Club for a dance on the night of Halloween. The alumni folks did not care to conflict with this date, as there are many who would desire to attend both dances. Therefore the postponement. The same Halloween plans of decoration and of conduct of the evening will be followed out on the date that was arranged for the earlier one.

FROM EASTERN TRIP

Mrs. John Treu has returned from Northampton, Mass., where she placed her daughter in Miss Caplin's school, preparatory to Smith college. Following this, Mrs. Treu greatly enjoyed a visit to Boston, where friends conveyed her among many historic localities of the city and where she was so pleasantly entertained that her heart is quite won for the city. Subsequently she visited New York, Philadelphia and other eastern cities before starting for home. In Chicago Mrs. Treu was taken unexpectedly ill and the latter part of the tour was thereby made less enjoyable. Her condition becoming serious, Mr. Treu was sent for. She has since fully recovered, a fact that will be learned of with great pleasure by her many friends in the district.

VISITING RANCH

Mr. and Mrs. P. M. Buckwalter are the guests for a short time, of Mr. and Mrs. J. T. Hood, at their pleasant ranch home, where they will pass a short but enjoyable vacation.

EVENING PARTY

Mrs. Joseph Todd was hostess recently at an attractive party which she gave in honor of Miss Selma Bower, who is visiting her from Los Angeles. The affair was given at the Todd home in Tombstone canyon. Various games were enjoyed during the evening and dainty refreshments

served. A large basket of red carnations and ferns formed the centerpiece of the table. The room was otherwise decorated very prettily in ferns and autumn leaves. Red and green was the color scheme used in the dining room and this was very beautifully carried out in refreshments. A delightful evening was spent by those who attended this affair. Miss Bower returned home yesterday.

WITH MISS AKARD

The Anona Club had a specially enjoyable evening with Miss Margaret Akard on Thursday evening. Part of the evening was spent in a business meeting, and the remainder in delightful social intercourse. Delicious refreshments were served.

GAVE MUSICALS

A very delightful musical party was given on Monday evening by Mrs. W. P. Sims at her home in Tombstone canyon. A number of invited friends were present and the evening spent in a most enjoyable manner. Refreshments and lunch were served during the course of the evening. Those present were Mr. and Mrs. J. P. Williamson, Mr. and Mrs. E. C. Blair, Mr. and Mrs. McHenry Mosier, of Nacozari, Mr. and Mrs. J. P. Connelley, J. A. Zander, Mr. and Mrs. F. L. Sims and Mr. and Mrs. H. S. Boughton, of Warren.

GIRLS ENJOY EVENING

The monthly meeting of the operators of the Mountain States Telephone Co. was held Thursday night in the offices of the local exchange and besides the transaction of routine business a very enjoyable literary program was rendered and refreshments were served. These meetings are monthly affairs with all the exchanges of the company in each district and were inaugurated to form closer relations among the operators and employees of the company. Those who attend the Thursday night meeting were Mr. and Mrs.

Miss Katherine Force.

New York society is expecting Miss Katherine Force, sister of Mrs. John Jacob Astor, to announce soon the

date of her wedding to Henri Har-nickie, a New York broker. The engagement announcement was made some weeks ago.

J. C. Clemens and son Joseph, Miss Catherine McCallister, Miss Gertrude Kowach, Miss Clara Olson, Miss Janette Jones, Miss Sarah Farley, Miss Eunice Moon, and Miss Lillie Mitchell, of Tucson, Miss Mitchell being the inspector of operators for this district. All attendants enjoyed a most pleasurable evening.

EXPECT ANNOUNCEMENTS

Friends of George W. Winters are expecting announcement cards any day telling of the wedding of the young man and a young lady of Nacozari, Mich., for which place Mr. Winters departed the first of the week, with the understanding prevalent that he was going to Nogales to take a permanent position. On his return with his bride, anticipated in the first part of next month, they will be at home to friends in a cot-

WEDDED AT TOMBSTONE

Miss Gertrude Sullivan, until recently one of the popular staff of young ladies in the Phelps-Dodge store at Lowell, and E. M. King, a well known cager at the Gardner mine, were quietly married on Sunday last at Tombstone. They are now at home in a cottage in Johnson Addition prepared by the groom for the reception of his bride. The matrimonial journey to Tombstone was

taken without friends of the young people becoming aware of their intentions, and they also managed to return to their home without attendance of the usual manner of reception extended newlyweds in the district. Since then, however, they have been busy receiving attentions. They were accompanied on the trip to Tombstone and return, made by automobile, by Mr. and Mrs. C. L. Grass.

SURPRISE PARTY

Master John Hankin was a greatly surprised young man a few evenings ago, when about nine of his host friends arrived at his home on Mason Hill at 8 o'clock and immediately proceeded to make merry. Various interesting games were enjoyed during the evening, as well as a most pleasant entertainment with Master John's post-card projector. Delicious candies, cakes and lemonade were served. Those present at this happy little affair were, Misses Dolly Coles, Anna Downs, Naomi and Jeannette Newman, Masters John Hankin, Francis Coles, Thomas Devine, Joan and Joseph Downs.

CONCLUDES VISIT

Mrs. Vance Johnson and little daughter, Milla, returned home the early part of the week from a six weeks visit in northern California, most of the time being spent with Mrs. Johnson's mother in San Jose. While away, Mrs. Johnson had a very pleasant visit in San Francisco, although she experienced weather there which registered 106 degrees in the shade, which is an almost unheard of condition in San Francisco.

HALLOWEEN FUNCTION

Very unique exquisite are the hand-painted invitations, all in Calixty Halloween effect which Mrs. Alexander Murry has sent out to her friends for Friday afternoon, October 25th. That this will be an exceptionally pleasing affair goes without saying. Witches and hobgoblins will likely be present, so beware.

PREPARING FOR PHOENIX

School teachers of Bisbee and the Warren district are preparing busily for their forthcoming trip to Phoenix, where the State Teachers' Institute occurs the first of next week. Now, while the young ladies, who are very largely in the majority among the school teachers, are going to Phoenix to give time very seriously and to good purpose to the lectures and instructive features of the Institute.

they are not going to be wholly absorbed in this work through every minute of the day. In fact the Institute sessions take up only a part of each day and all the balance of the time will belong to the teachers. Which is explanation sufficient as to why many handsome gowns are being prepared to go along on the trip. Beside the State Fair, which the program allows a half a day to attend each day in the week, there will be dances and other entertainments for the teachers at which they will meet the gallantry of the state. It promises to be a very enjoyable week, of which the Bisbee teachers are very highly deserving, for they are all very charming personages and have been working very hard during the opening term of the school. Not only have all of them had large classes but they have labored as well under the disadvantage of crowded rooms, a condition that it will not be possible to get away from until the new High school building enables the removal of the High school classes from the Central building. But, anyhow, the teachers are entitled to the pleasurable as well as instructive week which they are anticipating and which everybody hopes they will realize to the fullest extent.

THE MOOSE BAZAAR

All and more of a success in its pleasures for the general public was the Moose Bazaar, in which the ladies auxiliary of the order took a very important part. In fact the Moose could not have managed at all without the ladies, who were not only present in large number but who as well provided a great array of handicraft for the various booths. The display was very highly creditable to the handicraft of Warren district ladies of the order and won no end of deserved praise. Also it brought returns of very important money kind to the organization and will have a big part in raising the building indebtedness, for which purpose the Bazaar was conceived. Incidentally the public was enabled to six evenings of very happy entertainment, which will long be remembered by those who were fortunate enough to attend.

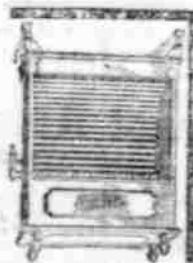

ALTAR SOCIETY

The Ladies of the Altar Society and St. Catherine's Aid will give a Halloween social next Thursday evening in the K. of C. Hall. Great preparations are being made by the committee in charge. Every member of the Altar society is expected to

These mornings and evenings are just a bit frigid. Sitting around in a chilly room is not pleasant, and doing so very often starts a cold which will cling to you all winter.

The little Gas Heater can be carried from room to room and occupies little space.

But a few moments are required to remove the damp and chill from living room, dining room, bath room or bed chamber.
